## Group hike - Bill Wallace El Cap Trail

We will be hiking the Bill Wallace El Capitan Trail for the on trail clinic.

Please note we will be stopping to talk products along the way. Our goal will be to talk about the packs being carried and shoes being worn. If there is water, we will practice using MSR, Grayl and Platypus water filters and purifiers.

Find Bill Wallace trail on AllTrails -

We will have demo packs from Osprey and Gregory as well as shoes from Oboz and Vasque.

If you need to borrow any gear, please contact us in advance so we can plan accordingly.
